NOTES TO FORM 1-3**ADDED PAGE TO COMBINED DECLARATION AND POWER OF ATTORNEY FOR SIGNING BY ADMINISTRATOR(ATRIX), EXECUTOR(ATRIX) OR LEGAL REPRESENTATIVE ON BEHALF OF DECEASED INVENTOR**

1-3-1. "In case of the death of the inventor, the legal representative (executor, administrator, etc.) of the deceased inventor may make the necessary oath or declaration, and apply for and obtain the patent." 37 CFR 1.42.

1-3-2. "In case an inventor is insane or otherwise legally incapacitated, the legal representative (guardian, conservator, etc.) of such inventor may make the necessary oath or declaration, and apply for and obtain the patent." 37 CFR 1.43.

1-3-3. Proof of authority of an executor or administrator is usually made of record by filing in the application or recording in the assignment records a certificate of the clerk of a competent court or the register of wills that his appointment is still in full force and effect. Such certificate shall be signed by an officer and authenticated by the seal of the court by which the same was issued. The authority of other legal representatives of the inventor must be similarly established. If the certificate is not in the English language, an English translation is also required. MPEP § 409.01(b).

1-3-4. In the case of foreign executors or administrators, a consular officer of the United States may authenticate the signature of the foreign officer attesting to the papers submitted as proof of authority. MPEP § 409.01(b).

1-3-5. The terms "Executor" and "Administrator" do not find an exact counterpart in all foreign countries and the procedure is governed by the necessity of construing those terms to fit the circumstances of the case. Hence the person or person having authority corresponding to that of executor or administrator are permitted to make application as, for example, the heirs in Germany. The authority of such persons must be proved by an appropriate certificate. If the certificate is not in the English language, an English translation thereof is also required. MPEP § 409.01(d).

1-3-6. Application may be made by the heirs of the inventor if a certificate of the court is filed establishing that they are all the heirs and that the estate was one as not requiring under the law for the appointment of an administrator. If the court papers are not in English, then an unsworn English translation is required. MPEP § 409.01(a).

1-3-7. Where the legal representative of a deceased inventor cannot be found or reached after diligent effort or refuses to make application then the person with a proprietary interest can apply. In such case, the last known address of the legal representative must be given and proof of authority of the legal representative must be established before the grant of the patent. MPEP § 409.03(c).
